University of Toronto
Department of Earth Sciences

Sessions: Fall 2016, Winter 2017
posted on Sept 15th 2016
Application deadline is Oct 1st 2016

	course number and title	term	course enrollment (est)	number of positions (est)	size of appointments (hrs)	Total Hours	WIT	dates of appontments	qualifications	duties
Course Code	**FALL 2017 COURSES**	**F**								
ESS322H1F	ESS322H1F Igneous Petrology	**F**	30	1	60	60		Sep 6th to Dec 21st 2016	Experienced Earth Scienec graduate students in their upper years (>=3) with an Earth Science Degree. Experience in the use and maintenance of petrographic microscopes, ability to identify minerals in thin section, understanding of igneous and metamorphic textures, general knowledge of igneous and metamorphic petrology	Supporting students in the use of petrographic microscopes
	WINTER 2017 COURSES									
ESS423H1S	ESS423H1S Mineral Deposits	**W**	28	1	60	60		Jan 5th to April 28th 2017	Experienced Earth Science graduate students in their upper years (>=3) with an Earth Science Degree. Knowledge of ore mineral identification using reflected light microscopy techniques as well as in hand specimen by physical properties	Suporting students in the use of reflected light microscopy

Notes

1) Courses which carry a WIT designation require good writing skills and you have to include an example of your own scientific writing with your application package.

2) Department Standards and Policies are available in the Department office and in the CUPE, Local 3902 office.

3) The positions and hours and dates posted above are)tentative, pending final course determinations and enrolments.

4) This job is posted in accordance with the CUPE 3902 Unit 1 Collective Agreement.

5) Although a graduate student's preference as to the campus location of his/her TA appointment will be taken into account, both the initial TA appointment (or CI appointment) and the subsequent appointment obligation related to that appointment may be met through position(s) on any one of the three University of Toronto campuses (UTM, UTSC or St. George) in courses in the same discipline as the initial appointment. TAs will only be assigned to courses in fields in which they are or should be qualified to assist.

Application procedure:

Please download the application form using this link https://goo.gl/CX4QJB
and submit the filled and signed form and your other application materials not later then Oct 1st to

Scott Moore
Department of Earth Sciences
University of Toronto,
22 Russel St., Toronto, ON, M5S3B1
Canada

You can do this either by mail, e-mail (ugrad@es.utoronto.ca)
fax ((1) 416 978 3938)
or in person (ESC1066)
